Capped Oil Price Program

Dear Customer,

Benvenuti Oil Company is pleased to offer a **Capped Oil Price Program** for the 2010-2011 heating season effective **10/1/2010 until 5/31/2011**.

By joining this program you choose a Capped price of **\$2.99⁹**. Capped pricing means you will never pay more than **\$2.99⁹** but if the price is below that, you pay the lower price throughout the life of the contract.

Due to the financial and legal burden this program places on Benvenuti Oil the following requirements must be met:

- 1) Remain on AUTOMATIC DELIVERY.
- 2) Start with a ZERO balance.
- 3) Keep your account current. Accounts with a balance 45 days overdue will be taken off the program and not returned until the balance is paid in full. Deliveries made to an account with an overdue balance will be charged the current market price or the quoted capped price, whichever is higher.
- 4) This CAP program is for single family residential customers with annual usage up to 1200 gallons. If you use more oil, have a Multi-family or commercial account, please call our office.
- 5) Because this oil is purchased for you in advance, closing your account or removing your account from Automatic Delivery prior to the 5/31/2010 contact end date will result in a \$300.00 Cancellation Charge, which will be billed directly to your account.

If you would like to join please fill out the lower half of this form and return it to us with \$200 enrollment fee on or before October 31, 2010.
