Benvenuti Oil has been offering pre-buy oil to our customers for the last 20 years of our 61 years in business, so **WE KNOW WHAT WE ARE DOING!**

We know how important it is to deliver the highest quality oil and provide the highest quality service 24 hours a day to all our customers. We have a fleet of delivery trucks and a full-time staff of highly trained service personnel waiting to provide emergency repairs. Benvenuti spends thousands of dollars every year training our technicians in the latest technologies to ensure your equipment runs safely and efficiently.

Benvenuti Pre-Buy's Oil Contracts Too

Marc and Charlie spend months working with oil brokers to secure safe oil contracts of the highest quality fuel at the best price. **We care about our customers and we protect our customers.**

How Much Oil Do You Use?

If you are unsure how much oil you use, please give us a call and our experts can help estimate your annual usage. Our average customer uses 850 gallons and the minimum pre-buy purchase is 500 gallons.

In addition to the examples shown, you can purchase any dollar amount above the minimum and we will convert it into gallons.

- Fabricate Sheet Metal Duct Work
- Design and install heating systems for your new home.
- Install Air Filtration and Humidification Systems

Pre-Buy Oil Terms & Conditions: Force Majeure: Duty to Perform: Benvenuti Oil Company, Inc or related parties will not be liable for any breach, delay or nonperformance hereunder which results from, in whole or in part, civil commotion, labor unrest, strike, war, fire, storms, embargoes, or other restrictions imposed by law, floods, other acts of God, or other impairment with the seller's supplier(s). Home Sales or Assignment: Upon the sale of a home our customer may transfer the remaining Pre-Buy oil to the new home owners or they may request a refund in writing to Benvenuti Oil. There is a €75 per gallon refund charge deducted from the refund check to cover oil contract liquidation & administration. Past Due Accounts: Failure to maintain your account in good standing will result in the amount being deducted from your pre-buy oil balance including service charges, late fees & collection costs. Automatic Oil Delivery: We require all our pre-buy oil customers to be on automatic oil delivery & the customer agrees to receive all their oil from Benvenuti Oil. Upon the completion of the pre-buy oil contract we will continue to deliver your oil automatically to ensure you don't run out which would cause home damage resulting in additional bills. If after you've used all your pre-buy & wish to be removed from automatic delivery please notify us in writing. Will Call Oil & Minimum Delivery: If a customer requests to call for each delivery (will call) there is a \$75 charge that will be deducted from their pre-buy oil balance. There is a 150 gallon minimum delivery & if a customer fails to receive at least 100 gallons a \$50 charge will be billed or deducted from their pre-buy oil balance. Pre-Buy Oil Remaining From Last Year: Leftover pre-buy oil will be converted to the new pre-buy oil price when offered the following year & no refunds will be given. Downside Price Protection: Unless you purchase downside price protection you will receive all your pre-buy oil at the fixed pre-buy oil price regardless of the price indicated on the oil delivery ticket. You must purchase downside price protection for the same number of gallons as the pre-buy. You cannot purchase a lesser amount. These terms and conditions will renew annually or until another contract is signed. Businesses and Non-Residential Customers: If the oil is used primarily for non-residential heating you are required to pay State of Connecticut Sales tax on your oil. Please add 6.35% to the total cost.
