2013 AAFCS/CT Late Afternoon Meeting Registration Form

website

Workshop I ~ Exploring CDA Licensure

~ Amanda Langlais

Recent policy changes by the Council of Professional Recognition create new opportunities for high school Child Development programs to provide CDA licensure. This session will focus on the recent policy changes, state and national expectations for 21st century learners, highlights from current CDA programs and possible funding opportunities for the expansion of Child Development programs.

Workshop II ~ A World without Alzheimer's

~ Kristen Cusato

Kristen will provide an overview of dementia and explain the 10 Warning Signs of Alzheimer's, what to look out for in your friends, family and neighbors. Right now, there are 70 thousand people in CT with dementia. Awareness is our hope. In her role as the Southwestern Regional Director, Kristen is working towards the mission of a World without Alzheimer's, so other families don't have to lose loved ones to this mind-robbing disease.
