☐ Workshop I ~ *Marketing FCS through Textiles*

Experience the “design to market” concept Sue Murphy uses in her Fashion & Textile Classes. Come prepared to create a laptop or ipad cover. Sue will review math & writing connections her students utilize to complete this project. A supply list will be forwarded to you upon receipt of your registration.

☐ Workshop II ~ *Technology – Soup to Nuts*

Technology is here to stay – share it with your students!!! Janice Uerz will introduce easy ways to incorporate technology in the Food Production, Nutrition and Wellness domain. Your students can enrich their math and literacy skills needed for CMT/CAPT and Perkins testing through computer based projects. Bring a flashdrive to save and share all you learned.
