Workshop I ~ Communicating through Design

Beth Daitch an FCS teacher at Manchester High, will bring the world of interior design to our finger tips. A professional interior designer turned FCS teacher - Beth will show how to incorporate technology and interior design concepts into class lessons.

Workshop II ~ Blurred Boundaries

Technology can both improve and hinder family relationships. Janice Uerz will be continuing the material on digital citizenship. The disconnects of today's society are leading to the demise of a wide range of personal and professional friendships, adversely affect how we treat one another.
