

2005 Connecticut Mid-Am H of Meadow Country Club—Simsbury, CT John Dailey—Fairfield, CT

John Dailey checks in at the starter's tent on the 1st tee at approximately 7:15 am with a hometown caddie. Marc Zirolli sacrifices an hour of work and acts as the tournament photographer at the crack of dawn. Looks like it's going to be a steamer, doesn't it?

Photographer Marc Zirolli departed at the turn, so Dailey's caddie finished the day off with a memorable moment. Dailey, playing a long course under blazingly-hot conditions, stands proudly next to a solid 85 at his first Connecticut Mid-Am event. Unfortunately, he would miss the cut, but if anyone was going to soak in *every* moment, it would be Dailey. Congratulations and best of luck in 2006.
