A Note From Our Honorary Starter

Gentlemen,

Hello friends...once again it is that special time of the year to celebrate EC week...renew relationships, challenge ourselves with this great game of golf & stay hydrated...day & night.

We are inspired by Tiger Woods and his Players Championship victory as well as by Lindsay Vonn and her strong record in skiing among other things.

The best of everything this week has to offer gentleman. So let's embrace nature once more and in the words of the starter @ Essex County Club...play away please.

My Best Always,

Steve Nesbitt
Head Golf Coach
