A Note From Our Honorary Starter

Gentlemen,

"Hello friends...once again, it is that special time of the year we embrace camaraderie and fellowship combining with nature all the while bringing past and present together in a historical environment. It gives me great pleasure to officially welcome one and all to the Endicott College Invitational. I wish everyone good luck, enough golf balls to complete the round and the patience and perseverance to finish the journey. May the best of everything the ECI has to offer come to fruition for each of you."

My Best Always,

Steve Nesbitt
Head Golf Coach
