A Note From Our Honorary Starter

Gentlemen,

It is once again that special time of the season to reflect back upon glorious days of yesteryear at Endicott College, when the cohesive mix of academics & golf blended splendidly. All the while, focus was razor sharp on chasing the Commonwealth Coast Championship. Not to mention the delicate balance between working hard on school studies and experiencing extracurricular scenarios. It is with great honor and pleasure to welcome the Endicott College Alumni back to Beverly to ECI Invitational Week! Enjoy the moment and embrace nature, my friends.
