

I cannot believe it has been 4 years since I have played in the ECI. This weekend is going to be a great one. It will be awesome to see all of you this weekend, have a few beers and some laughs. Working and helping teams win national championships is fun and all but hanging with friends for a few hours is better. It is summer now and time to recoup from the long season of sports and travel. Golf game is okay not the worst but not the best. Tried to qualify for the GA Mid am but did not play so well. Hope everyone is doing well and see you all this weekend. Oh and John and I have a bet on Friday to see who gets to sleep on the bed and not the sofa couch. You can start with the homosexual jokes now. No Homo.
