		• Windows 7 Professional
		• Microsoft Office Home & Student
		  ○ Word
		  ○ Excel
		  ○ PowerPoint
		  ○ OneNote
		• Pentium 4 processor (3.0 GHz or better)
		• 2 GB memory
		• 80 GB or greater hard drive
		• 17" LCD monitor
		• Keyboard and mouse

This system is good for email and research from the internet. You can watch YouTube videos, but at lower resolutions.	This system is good for a second computer, or an older student. It will run word processing, spreadsheet, and presentation software well. Streaming videos, such as from YouTube, can be viewed full-screen.	This system is faster and you will be able to run more demanding applications and high definition video. You will be able to do light photo and video editing. Photo and video editing software not included.

Eligible Recipients: **Please check box to select the category which pertains to you**.

☐   501(c) (3) public charity (requires non-profit ID number) _____

☐   I am enclosing a copy of my current Connecticut Connect Card & current ID
