Please note: This is a Board of Education Meeting held in public, not a Public Meeting (e.g., Town Meeting or Public Hearing). This means that while comments of the public are welcome during the "Public Comment" section of the meeting, these issues cannot be discussed with or by the Board unless the issue is already an Agenda item. Matters brought to the Board during the "Public Comment" section of the Agenda will be addressed as appropriate by a designee of the Board, usually the Superintendent, who will get back to the individual(s) who had the concern, when feasible.
