Who We Are

The Regional Animal Control Facility serves the towns of Bozrah, Franklin, Lebanon, Lisbon & Sprague. We are committed to finding loving, permanent homes for the animals that come into the shelter.

Info

The animal control facility is not equipped to handle abandoned or stray cats, please contact us for a list of rescue groups.

Donations

The animals at the facility are always appreciative of your donated items. We have an ongoing need for food, blankets, flea & tick medications, and anything else that you feel may make the animals stay at the facility more pleasant. Please feel free to drop off donations at the Animal Control Facility or at any of the five town hall locations.

Adopting a friend

DOGS: The Adoption fee for dogs is \$50, which provides you with a voucher for spay/neuter, rabies and first distemper/parvo vaccines at most vets in Connecticut under the Animal Population Control Program. The fee for dogs that are already spayed or neutered is only \$5.

CATS: Cats and kittens DO NOT fall under REGIONAL ANIMAL CONTROL, we work with P.A.W.S. a local rescue group. Most of the available cats and kittens have been tested for Feline Leukemia and Aids, spayed or neutered, vet checked, up to date on vaccines and anything else that might have been necessary when they came to us needing help. A donation to P.A.W.S. is required when adopting a cat or kitten to help with the cost of their vet care and to enable P.A.W.S. to provide for the next ones that will come into our care.
