Old business

A letter will be sent to Murtha Cullina to request the release of the Lisbon WPCA files to Andrew Lord, attorney for the LWPCA. He needs the records to update the regulations for the LWPCA.

New business

A new pizza restaurant is planned for Lisbon Landing. It will occupy a space in the Pier One building. They have asked if it would be permissible to use an under sink grease catcher instead of the inground grease tank as there will not be a dish washer there, and will not be using washable dishes. No decision was made pending more information.
