Old Business – It was reported to the Chairman that the pump station's generator should not have any problems for the next 10-15 years. It is checked weekly and serviced as needed, with a self test on the generator run monthly.

The chairman has been checking into companies that camera sewer lines. He has called a company from Mass. but has not had his call returned yet.

New Business

Mr. LaChapelle would like to have the driveway into the pump station asphalted. The plow trucks keep pushing away the topsoil and making a pile of the gravel and sod. The proposal will have to be worked up and put out to bid.

Motion to adjourn made by D. Wawryznowicz.

Vote: Unanimous: Motion Carried
