Statewide

Join other members of the community to beautify our Lisbon Meadows Park trail system just in time for summer use. These narrow, rolling trails need some TLC. Please bring a rake, clippers, or shovel. Long pants and closed toed shoes recommended. Meet at Lisbon Meadows Park (on Route 169) parking lot in front of the walking bridge. Sponsored by Lisbon Recreation Department (lisbonct.com). Rain cancels. Questions: contact (860) 617-1144, [runninboy@comcast.net](mailto:runninboy@comcast.net).

Visit [ctwoodlands.org](http://ctwoodlands.org) to view the online event directory, or pick up the printed booklet at your town hall or public library.

Funding for 2017 Connecticut Trails Day is provided by the Connecticut Forest & Park Association and its members, and through the generous support of the following sponsors:
