

A Memorial that passes on their passion

The Slater Library is delighted to help the memory of your loved ones and our past patrons live on.

Let us help you select books that will be circulated at the library in their name. We order new books from their favorite authors or in the styles they enjoyed most. Each of these books upon arrival receives a special Memorial/Tribute placard with their name and the year detailed on it.

Monetary donations to be used for library upkeep are also appreciated. They can be marked to go for specific projects or given to the general library fund and used as needed.
