

CT State Police Troop E Montville CRISIS Initiative

*Connection to Recovery
through Intervention, Support,
and Initiating Services*

Help and Hope

Crisis Intervention Team (CIT) is a partnership between the CT State Police, substance use disorder and mental health professionals, and the community, working toward safety, understanding, and service to people in crisis, and their families.

If you need a connection to mental health or substance use disorder treatment, through the Department of Mental Health and Addiction Services, contact the Troop E Dispatcher or your Resident State Trooper for a referral to the CIT Clinician.
