

The Hole Truth

December 2011

President's Message, Lou Camerota

As the year draws to a close, I hope you all reflect on what an outstanding golf season it was for us at New London Country Club.

Membership dues remained flat, and there were no special assessments and no minimums.

Committees worked tirelessly and selflessly to improve the financial situation, better the physical plant, bring in more tournament revenue, and generally improve the conditions around the course and the club.

Individual volunteerism was very much in evidence. Members who didn't require a pat on the back dove in to repair golf carts, lay carpets, hang pictures, repair and generally care for the club like one does for one's own home....all because of the pride they feel as a part of NLCC, and on behalf of their fellow members. To all of you, thank you for your selflessness and commitment.

All of this was wrapped around a golf course that remained in excellent condition the entire year and was a model throughout the region! We pared costs to a minimum, yet provided high quality service to you, our members.

We returned to our roots as a social club, with seasonal parties bringing members together off of the golf course. The resulting feeling of camaraderie was very much in evidence...and it still is. Our key employees, Tina, Dan and Kevin, worked hard to provide us that level of service and I want to acknowledge their effort and thank them for the excellent year we have enjoyed.

While the future is cloudy, we continue to hope that New London Country Club will prevail, and we continue to work toward that goal.

Let me take this opportunity to thank you for your support, steadfast loyalty and continued words of encouragement. It has meant a great deal. As well, I wish you and your families a wonderful upcoming holiday season.

Happy Hanukkah, Merry Christmas, and the very best to you all for the New Year.

Most sincerely,

Louis Camerota, President
