

New London Homeless Hospitality Center

Providing a place of safety and welcome,
to our homeless neighbors

The New London Homeless Hospitality Center serves as a place of refuge and support for many people without a home and our successes are a direct result of generous people like you, who are willing to serve and support those in need through your time, talents, and effort.

We have three subsidiaries: The day time drop in center is open Monday through Saturday from 8:30 am to 4:30 pm; the Night time shelter at St. James Church is open daily from 7 pm to until 7 am; Homeward Bound Treasures Thrift Store is open Monday through Saturday, 11 am until 5 pm.

Volunteer Opportunities

We are seeking weekly commitments for most of our opportunities so that we are not constantly training new volunteers. Please feel free to try a day or two before committing to coming on a regular basis. If you cannot commit to weekly volunteering, we encourage you to team up with friends in order to cover a volunteer position on a weekly basis.

Homeward Bound Sales Volunteer: 1 to 3 hours, anytime

We are in need of sales volunteer who will support the staff at our thrift store, market the inventory at our store, and help customers as they shop in our store. Hours can vary from 11 am to 5 pm Monday through Saturday.

Facilities Staff Support - 10 am to 2:00 pm

We need one person daily from Monday through Friday to support the staff as they serve the guests at the day time shelter. This is a part time position for 4 hours a week.

St. James Shelter Morning Volunteer - 6:15 to 7:15 am

We need one person daily to support the morning staff at the overnight shelter as they close the shelter and prepare the guests for their day. This is a part time position for 1 hour a week.

St. James Shelter Evenings Volunteer – 6:30 to 9:30 pm

We need one person daily to help set up and to interact with the guests as they spend their evenings at the shelter. This is a part time position from 1 to 3 hours daily, 3 hours per week.

Skills or Talents

If you have any skills or talents that are not met by these positions (i.e. accounting, computer/technical skills, trade skills, etc.), please let us know. We always have need and would be happy to work around your schedule. We have our “to-do” list ready!
