## iReport —

On Sunday September 12, 2010, New London Harbour Towers in collaboration with Hygenic Art and featuring a mural created by Terry "Davo" Davis, made a significant artistic contribution the revitalization of New London's historic waterfront district. New London Harbour Towers and DDLC Energy partnered to commission a tank-sized mural in the heart of New London. NLHT and DDLC are scheduled to remove the remaining out-of service tanks next week. Photos show Tony Silvestri and Terry "Davo" Davis in the bucket of a manlift - facilitating the unveiling.
