The Ducks are ready for Race Day ... Are YOU?

The 20th Annual Arc Rubber Duckie Race: August 13, 2017

The Arc Quinebaug Valley invites you to be part of an annual event that will benefit your business, as well as single you out as a community leader who is sensitive to the needs of people with intellectual, developmental and other life-affecting disabilities and their families. Not only will you help The Arc, a non-profit agency, fulfill its mission of providing education, residential, vocational, day program, retirement and advocacy supports, but you will gain a sense of joy knowing **YOU** helped make a difference in the life of a child or adult with disabilities.

THE EVENT

Rotary Park, Kennedy Drive, on the Quinebaug River
In conjunction with Putnam's Annual Car Show!
Crowds of 5,000 to 10,000 people anticipated on race day!
Family fun, publicity for your business & fundraising for The Arc!

IMAGINE...

7,000 “adopted” ducks racing down the river to the finish line near the falls, where anxious on-lookers are cheering for their duck to win one of the 50 available prizes.

Interested In Finding Out Who We Are & What We Do? Please Read Below!

Founded in 1952, The Arc Quinebaug Valley is a non-profit human service agency committed to supporting individuals (and their families) with intellectual, developmental and other life-affecting disabilities. Our agency currently serves children and adults in Windham County, as well as other surrounding towns as needed.

Our Annual Rubber Duckie Race is a major fundraising activity for The Arc. All proceeds from the race directly impact the quality of life for those we support. Individuals and their families benefit greatly from increased opportunities to be part of their community.

By purchasing a duck ticket, you will adopt a duck and help to provide funds necessary to:

1. Develop new community based employment options.
2. Enhance our growing Education, Day, Residential and Retirement Programs.
3. Provide safe transportation options for program participants.
4. Expand training opportunities for individuals with disabilities.
5. Provide necessary funds to further expand our capacity to grow.

About the Rubber Duckie Race...

All “adopted” ducks will be dumped in the Quinebaug River from a pay-loader and the ducks will travel down the race course to the finish line. The ducks come through one at a time and are bagged into corresponding numbered bags. The first 50 ducks to cross the line are winners, and their owners receive one of our donated prizes.

Thank you for your support!
