Dear Friend of The Arc Quinebaug Valley Golf Tournament:

For well over two decades, The Arc Quinebaug Valley has presented The Annual Gardner Johnson Memorial Golf Tournament in order to benefit the lives of individuals with disabilities now and in the years to come. Not only is this a fun-filled event where people come together to celebrate the growth and achievements of The Arc's mission, but whether you win or perhaps fall a little short of making that Hole-In-One, you leave the tournament with something so much greater, the feeling of knowing that your support has helped assist an individual with disabilities to thrive in this community.

We invite **YOU** (and your friends!) to attend the 28th Annual Gardner Johnson Memorial Golf Tournament at the beautiful Foster Country Club in Foster, RI on the date of July 10, 2015. For more than 60 years, The Arc has been a life-line for individuals with disabilities, their families, and the 15 towns in Windham County. The programs provided by The Arc include Education for both children and adults, Day, Vocational, Residential, Advocacy, Recreation, and Retirement. To maintain these essential services, we must raise supplemental dollars through creative fundraising such as the golf tournament.

Maybe you cannot make the event, but would like to support the cause? For the raffle, we are seeking golf items, gift certificates, or monetary donations. Product samples are also a great way to advertise your business at this event and we certainly encourage it! As always, notice of your donation will be included in our extensive ad campaign surrounding the tournament, and at the tournament itself.

This event is **critical** to meeting the goals of our mission and we truly thank you once again for your involvement, continued support, and generous donations that ensure a positive impact on both the community and The Arc. For additional information, please contact Crystal Simonson or Sandi Riemann at The Arc office (860) 774-2827.

Sincerely,

Gene Michael Deary, Chairperson
