

Do you Have a Legal Voice?

A Workshop for Connecticut Families with Adult Children with Intellectual and/or Developmental Disabilities

Sponsored by The Arc Connecticut &
Arbella Insurance Group Charitable Foundation

Parents of children with intellectual and developmental disabilities (I/DD) are faced with many challenges and decisions, including how to have a legal voice in the life of their adult child. The Arc Connecticut is launching “*Legal Voice*”, a workshop for families which will educate them about the variety of options available for continued advocacy throughout their child’s adulthood.

These workshops will begin in April and will be held in 8 locations throughout the state.

Attorney Frank Cathcart, of Steinberg and Cathcart, LLC, along with Leslie Simoes, Director of Advocacy with The Arc Connecticut will offer training, guidance and resources.
