Join Linda Turner and Explore Gardening By The Foot....

Square Foot, that is! Let's say your garden is 3' x 6', Pretty small by the typical vegetable garden standards. You could grow 3 Broccoli, 3 Peppers, 3 Tomatoes, and 12 Leaf Lettuce! Or how about 27 Spinach, 9 Bush Beans, 48

Carrots, 8 Leaf Lettuce, 16 Onions, 12 Marigolds, and cucumbers on a trellis! It's easy, weed-free and a great project to do with kids.
