The Scoop on Driving Safety

- *Make sure you and your car are properly equipped before you leave. Do a quick check of your vehicle before you hit the road.*
- *Bring Your Cell Phone*
- *Check Window Washer Fluid*
- *Slow down and drive smoothly.*
- *Do not tailgate*
- *Do not use cruise control*
- *Pull over or stay home*

GREEN TIP

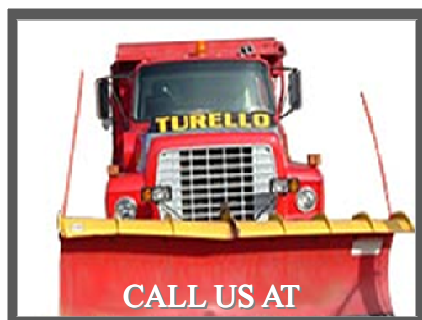

Recycling fresh trees after Christmas can make a huge difference in reducing holiday waste. Trees can be ground into wood chips, which can be used to mulch gardens or parks or to prevent erosion at a local watershed.
