PETER S. TURELLO, LLC

Welcomes the opportunity to discuss how we can meet your needs, gladly providing the flexibility and responsiveness to get the work done. The same holds true for minor touch-ups, repairing weather damage, or fixing minor emergencies.

Now Offering

Expanded Landscape Maintenance Services

Peter S. Turello has been a *Trusted Name* for 99 Years in Southeastern Connecticut and is now proud to introduce Landscape Services to our valued customers. We value our customers. We have built a solid reputation and provide exceptional attention to detail with unrivaled customer satisfaction.

We are looking to serve commercial developers, general contractors, property management companies, commercial property owners, homeowner associations, landscape architects, corporations, campuses, office parks, retail shopping centers, apartments, and city parks.

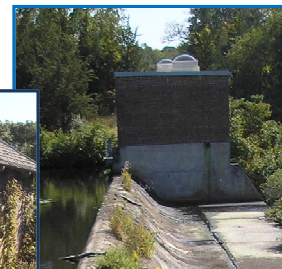

Receive your free estimate . . . and get on the schedule for Peter S. Turello, LLC to handle all of your **Summer 2011** Landscape needs.

Did You Know — About Asphalt

Asphalt is one of the indispensable materials of life in America. Think about the fact that 94 percent of the paved roads in America are surfaced with asphalt.

Project Focus

We are making improvements to both dams.
