Weeding, Writing and Arithmetic at Waterford Public Schools

Peter S. Turello, LLC wants to wish everyone all the best for the 2011 - 2012 School Year. In August, the company began the task of landscape maintenance at Clark Lane, Great Neck, Oswegatchie, and Quaker Hill schools. Our team spent time doing a thorough clean-up at the four schools in preparation of the arrival of students and staff.

Fall Checklist for Your Lawn

WEED. YES. WEED

Weeding in the fall is probably the most valuable thing you can do to prepare for spring.

ADD SOIL AMENDMENT

Fall is a great time to prepare for next season.

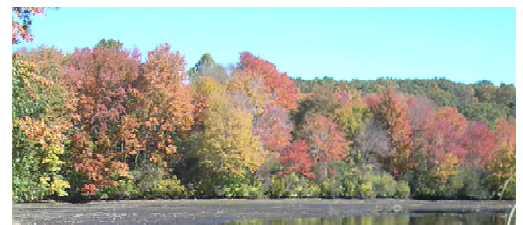

AERATE

During summer soil becomes compacted so perforating your lawn lets water, air and fertilizer into the soil, which strengthens the grass root.

PLANT SPRING BULBS

Fall is the perfect time to plant spring flowering bulbs, such as daffodils and tulips.
